

AGENDA

Join peers, partners, and product experts for two immersive days of innovation, strategy, and hands-on learning at Northstar’s premier annual event. Discover what’s new, strengthen your network, and unlock smarter ways to operate.

DAY 1: VISION & INNOVATION

Unlock what’s next with keynotes, client spotlights, and a first look at new AI, automation, and member experience tools shaping the future of club operations.

Vision 2026

Next-Gen Nexus & Automation

AI in Action

Member & Employee App Updates

Roadmap Reveal & Partner Showcase

Evening Networking Reception

DAY 2: PURPOSE-BUILT

SESSIONS BY ROLE

Gain role-specific insights and tools—whether you’re leading service delivery, managing communities, or driving data strategy.

For F&B, Golf, Retail, Spa, and Guest Services - POS optimization, mobile ordering, booking engines, smarter retail, and service flow improvements

For POA/HOA leaders and Resident Services teams - Access control, violations, billing, communications, and full resident lifecycle tools

For Controllers, Analysts, and Technical Leads - Advanced reporting, automation, integrations, infrastructure, and data-driven decision-making

One-on-One Expert Appointments

Schedule a one-on-one with Northstar’s team to optimize your setup and strategy. By appointment.
